 How much make-up is the mom wearing? Free laptop to the person who gets within 2 pounds of the answer.....

 BuffaloBob | Posted at 03:41pm Feb, 29 2008  
 Doh! The dad said he'd hire someone who 'looks good' instead of someone 'walking up and saying, hire me, I'm smart'.....Scary. And, life has a way of levelling things out. What would happen to this teenager if she were to become disfigured? Like attracts like. She will learn what loneliness feels like.

I hope she face plants off of a runway and  
ruins her face forever, her parents die from  
cancer and their business burn to the ground  
the day after their insurance policies

mom like a fugly transexual who'd you'd find  
sucking dick for quarters... I want  
newspapers to follow up on this family with  
the headlines reading "Guastaferro  
family found slain along side Jimmy Hoffa's  
body" Either that or their daughter  
will turn into a very poor porn actress

## ***Alicia Guastaferro - The World's Most Spoiled Teen?***

*Can someone please hand me a gun as I want to shoot myself. What the fuck is this place coming too? 13-year-olds swearing as if they are 22 and now some spoiled teen beauty queen wannabe that gets to celebrate Xmas every day. Alicia Guastaferro is her parent's little sparkle. They think she is the best thing since sliced bread and live their lives around the needs of Alicia. Alicia herself thinks she is da bomb, but lets take her down a peg or two. First, she is not pretty. Second, she has no sparkle. Third, she has no intelligence. Fourth, her parents are morons. Fifth, her mom looks like something that was dug up out of grave yesterday. Sixth, porn awaits you my dear.*

She isn't even pretty w/ out all that fucking make up shes probably ugly as hell. shes just fake, all she has is fake beauty. One of the most sexy things a woman can have is natural beauty and she has none.

miker23 | Posted at 08:21pm Feb, 17 2008

if you really think about it... whats the problem  
-her parents are happy doing that because they love seeing there child happy  
-the chick really isn't that needy just grateful  
-they all seem extremely happy with there lives and that's all that matters to them

They opted to go on the show. They accepted the fact there would be comments made at their expense (or were truly clueless at how they would be received, and instead were just there to show off their vegetable child).

Like I said earlier, if they can't see all that I can point out with just a simple 5 minutes' window into their lives and realize they may have a problem, then they're hopeless. "10 year-old" bitch all you want, you're not doing anything.

Hey, I'm a teacher in a private school in the UK. Don't think we won't get this in this country. There are plenty of little girls halfway there already - mummy does homework, mummy says little daughter can't do anything wrong, mummy spoils the little brat rotten .... only a question of time

If you're born as beautiful as she, then why shouldn't the world idolize her. I mean, people love Beckham and pay him shit loads of money - a beautiful man with no talent

She didn't get her looks from her parents then, must of been an experiment

a spoiled little girl with childish parents. and doing her school work? please,  
this girl learns nothing about the real world and its hardships. When she  
leaves that house (r when her parents are gone) its going to be a big shock  
to her when the real world slaps her face.
